WHAT ELSE MAKES ACTIV ONE DIFFERENT?

In times of need, it may happen that other health insurance policies may not cover your entire hospital bill as there may be some non-medical **out-of-pocket expenses** which are generally not paid by insurers, such as gloves, cotton, face masks, etc. Due to this, you may end up paying 10-20% of your hospital bills from your own pocket.

Want to know how Activ One can offer our customers **complete peace of mind?**

Our
